Create your feeling of home.

About

ABI INTERIORS

ABI Interiors is an Australian-designed fixtures supplier specialising in high-quality kitchen and bathroom products for the modern home. We embrace simplicity, longevity, and durability as the foundation for our innovative range — crafted to elevate your everyday experience.

Our offering includes tapware, basins, sinks, baths, showers, and other interior products, featured in up to seven signature finishes to complement any space.

We believe in timeless design, creating each piece to be enjoyed for many years to come. This confidence in our products has inspired our 25-year additional warranty.

Our mission is to empower homeowners and trades with access to premium products at an inclusive price point without compromising on quality.

We are dedicated to upholding excellence across each part of the ABI journey and have carefully considered every detail from inspiration through to installation. With the input and support of our customers as the driving forces, we're proud to continue redefining the experience of home design.

Product Construction and Finishes

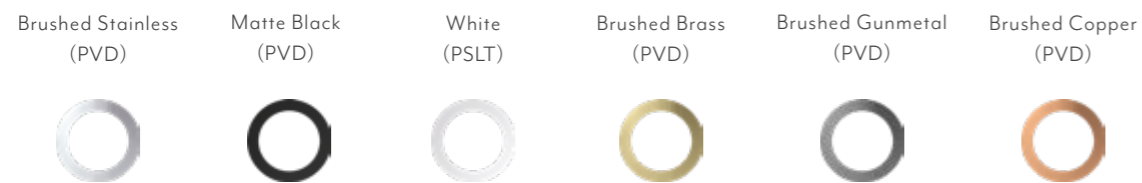

SOLID BRASS

Solid brass is the most commonly used material across our entire range. Our solid brass is an alloy of 61% copper and 36% zinc and 3% other elements, including phosphorus, aluminium, magnesium, and lead. The Australian standard for lead levels cannot exceed 4.5%. The lead content within our solid brass products is significantly under the required limit.

STAINLESS STEEL

Our stainless steel products contain no lead and are very resistant to corrosion, with high-yield strength. This means they can withstand high-stress conditions with a reduced chance of permanent damage. Our stainless steel items are available in 304 stainless steel and 316 stainless steel.

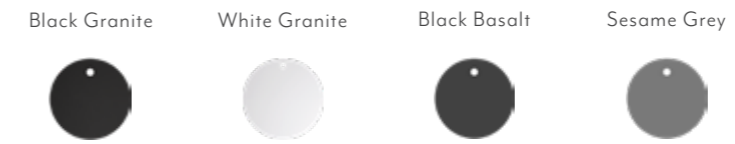

SOLID SURFACE

Our solid surface is an engineered material composed of aluminium trihydrate (ATH), acrylic, epoxy or polyester resins and pigments. This combination is remarkably strong and durable, giving a natural stone-like feel.

GRANITE

Natural granite is formed from molten rock and is what we use to create some of our basins. It's a highly durable material requiring minimal maintenance. We recommend applying a natural stone sealer to help preserve the finish.

ACRYLIC

Acrylic is a material we use across our range of baths. They are vacuum moulded products made of acrylic resin and reinforced with fibreglass. Additionally, our acrylic baths feature double walls to increase thermal insulation.

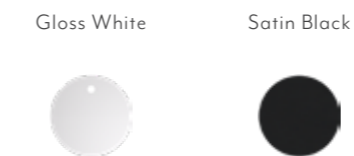

CARRARA MARBLE

As it is a natural stone, each product will have some finish variations with its own individual character. Use a natural stone sealer before use to help preserve the finish.

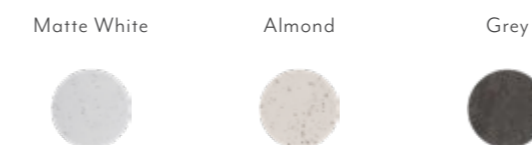

CERAMIC

Ceramic is a highly-durable construction, and its non-porous surface makes it exceptionally stain-resistant. We offer several ceramic sinks within our range.

CONCRETE

Genuine concrete construction. Quality tested against impact, cracking, water absorption, and stain resistance, plus more, to ensure excellent durability.

ALIRO COLLECTION

ABI Interiors' Aliro Collection introduces an appealing range of accessible, ambulant, and assisted living products that combine a beautiful design and delicate detailing with durability, functionality, and safety.

This comprehensive range is thoughtfully designed by ABI Interiors as per AS1428.1:2021 Standards. Available in our four signature finishes, it promotes aesthetic cohesion in the bathroom.

CELINE BASIN SINK **Matte White**

PIKA CABINETSRY PULL 138MM **Brushed Brass**

Construction and Finishes

Our bathroom vanities are constructed from high-density moisture resistant particle board for enhanced durability. Either 2PAC or laminate is bonded to the surface of the cabinetry to complete the finish.

The wide range of appealing finishes are designed to help define your space. For laminate surfaces, these include Pure Oak and White Ash Oak. For our 2PAC surfaces, you have the option of either White or White Shaker.

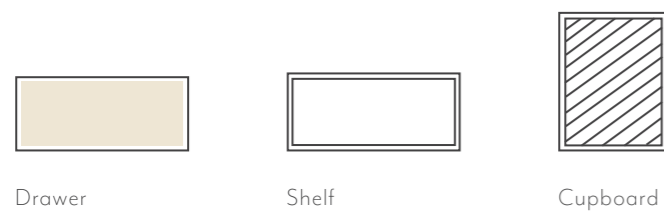

Our composite stone is a human-made stone that is lightweight and durable, and available in two colourways, including Glacier White and Carrara Marble.

Basin Positioning

Basin positioning for all of our vanities is to be centred to the drawer fronts only. For example, if you choose a two-drawer vanity, your basin will be centred to the drawer front and installed on either the left or right side.

Please note: ABI Interiors does not provide cut-out holes in your stone for your basins; the positioning refers to the waste allowance in the drawer only. Your on-site installer will assist you with this.

Product Care Guide

TAPWARE, SHOWERWARE, ACCESSORIES, STAINLESS STEEL SINKS AND BASINS, WASTES, SHOWER CHANNELS, GLASS AND DOOR HARDWARE

Cleaning and Maintenance

- Use natural cleaning products only and avoid abrasive cleaning cloths.
- Weekly cleaning with warm soapy water and a microfibre cloth is recommended.
- Dry after each use to reduce watermarking and surface rust.
- Dilute toothpaste with water to restore the vitality of the finish.
- When cleaning, wipe in the direction of the brushed grain to maintain the brushed appearance.
- For renovations and new builds, flush pipes before first use.
- To best maintain the finish, do not let water pool.

SOLID SURFACE BASINS AND BATHS

Cleaning and Maintenance

- Clean any marks or stains as soon as they occur.
- Clean with warm soapy water or a cream-based cleanser and a microfibre cloth to remove most markings.
- Solid surface is easy to maintain using natural cleaning products.
- For matte white solid surface products, fine grade sandpaper can be used to remove stains or markings in some instances.

NATURAL STONE BASINS

Cleaning and Maintenance

- For natural stone, seal with a natural stone sealant prior to first use. Repeat if necessary.
- Regularly clean with a natural detergent or stone soap.
- Thoroughly rinse with clean water, then dry the surface with a soft cloth.

CONCRETE BASINS

Cleaning and Maintenance

- Do not use chemicals or abrasive cleaners.
- Clean any marks or stains as soon as they occur. Wipe with warm soapy water and a microfibre cloth to remove most markings.
- Use a brush to clean the rougher external texture.
- Ensure a clean dry surface before applying wax, using a microfibre cloth. Add a thin layer to the inside of the bowl. Allow five minutes for the wax to settle. Wipe the basin again with the unused side of the cloth to remove excess wax.

TIPS FOR ALL ABI INTERIORS' PRODUCTS

- Do not use chemicals or abrasive cleaners. This includes:
 - Bleach and bleaching agents
 - Ammonium and ammonium agents
 - Highly acidic cleaners
 - Alcohol and mineral-based solvents
- Limit exposure to high levels of salt.
- If your product comes into contact with any of these chemicals, rinse immediately with warm soapy water.
- Avoid scourers and rough brushes for cleaning.
- Avoid contact with sharp objects that could chip or scratch the surface.
- Do not apply heat directly on surface.

Warranty

UP TO 25-YEARS ADDITIONAL RESIDENTIAL WARRANTY

ABI Interiors offers up to 25-years additional warranty for residential customers subject to our warranty terms and conditions.

UP TO 10-YEARS ADDITIONAL NON-RESIDENTIAL WARRANTY

ABI Interiors offers up to 10-years additional warranty to non-residential applications of our products subject to our warranty terms and conditions.

WARRANTY COVERAGE

Both ABI Interiors' Residential Warranty and Non-Residential Warranty offer coverage in relation to a product's:

Structure – including its construction, material, and assembly;

Finish – including the product's coating and external appearance; and

Cartridges – where a product contains cartridges, ABI Interiors' warranties cover faults in those cartridges.

You can view our full warranty terms and conditions on our website: abiinteriors.global/warranty/

ALL ABI INTERIORS' PRODUCTS ARE TESTED AND CERTIFIED TO MEET ALL REQUIRED STANDARDS IN THE MARKETS IN WHICH WE OPERATE.

Our tapware is certified under AS/NZS 3718 : 2005.
WaterMark Licence: WM- 022852.

CATALOGUE DISCLAIMER

The products described in this catalogue are those made available from April 2024. ABI Interiors will aim to maintain stock for all products listed in this catalogue until April 2025, however stock levels are subject to change without notice and depiction of a product in this catalogue is not a guarantee that a product is in stock. ABI Interiors reserves the right to discontinue a range, model, colour, or finish of a given product at any time. Images in this catalogue are for illustration purposes only and may not be to scale. We endeavour to ensure that all finishes are displayed accurately, but you should be aware that finishes and colours may appear different from the true finish and colour in print or on different displays and screens. Due to the nature of the colouring process there may be slight colour variation between products and batches.
